RE: 2020 Russell County Solid Waste Commercial Collector/Hauler permit

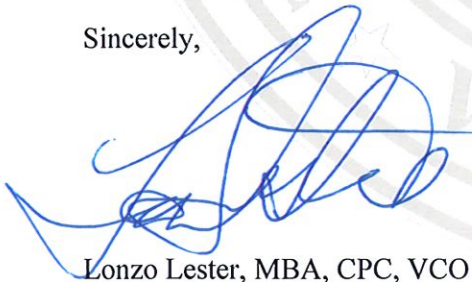

To Whom It May Concern:

Effective March 13, 2017 as per Russell County Solid Waste Management ordinance as enacted pursuant to authority contained in §§15.2-930, 15.2-1426, 15.2-1200, 33.2-802 and Chapter 14, Title 10.1 of the Code of Virginia, 1950 as amended every commercial collector or hauler disposing of solid waste in Russell County, Virginia shall obtain from the Russell County Board of Supervisors a commercial collector/hauler permit before engaging in the collection and disposing of trash, or garbage or sludge.

As per the Russell County Solid Waste Management ordinance it shall be unlawful to dump, store, burn, bury, destroy or otherwise dispose of garbage, trash, refuse or any other solid waste generated within the limits of the County except at the Russell County Transfer Station or a facility of the County designated for solid waste disposal. Unless such solid waste in question is not accepted at said Transfer Station pursuant to §§15.2-933 of the Code of Virginia, 1950.

Every commercial collector or hauler shall make application and pay **annual fee of \$500 per waste hauling vehicle** approved to operate in the county. The 2019 annual collector/hauler permit will expire on January 15, 2020. Failure of payment of annual fee or violation of permit will result in it being unlawful to engage in trash, garbage collection and/or hauling of trash, garbage and sludge for disposal in the county. Any hauler or collector found to be in violation of any provision of the ordinance and **failure to obtain a permit will result in penalties** as set forth in the Russell County Solid Waste Management Ordinance.

Sincerely,
